Advanced Community Cardiac Care in the Eastern GTA

At Corcare, we believe that the best outcomes happen when advanced cardiac testing and specialized cardiovascular care come together seamlessly.

Corcare, over 2 decades has grown to become the largest community cardiovascular service in the Eastern GTA and amongst the largest in Canada —serving a population of over one million residents with more than 30,000 patients actively under care and tens of thousands of diagnostic imaging procedures annually.

Corcare is a trusted community partner, providing comprehensive cardiovascular assessment, prevention, and management at three major sites—Scarborough, Ajax, and Pickering. Our integrated dynamic team works closely with local hospitals, family physicians, and allied health professionals to deliver timely, coordinated, and patient-centered care.

We are seeking enthusiastic and compassionate Cardiologists and Internists with cardiovascular expertise who are passionate about providing high-quality, community-based cardiovascular care.

Whether you are looking for a full-time or part-time role, or exploring opportunities post-fellowship, Corcare offers:

- A collaborative, multidisciplinary environment
- Modern facilities with advanced non-invasive imaging and diagnostic capabilities
- Established referral networks and a large, diverse patient base
- Support for your complex patients with heart failure, ASCVD and ATTR amyloid
- Flexible schedules to support work-life balance
- A culture grounded in clinical excellence, innovation, and community service

Qualifications

- Licensed or eligible for independent licensure in Cardiology or Internal Medicine with the College of Physicians and Surgeons of Ontario (CPSO)
- New graduates and cardiology fellows in training are welcome to visit and explore future opportunities

Connect With Us

If you are ready to make a meaningful impact in cardiovascular health—and to grow your career with one of Canada's leading community-based heart centers—we'd love to hear from you.
